Dear Community Care Licensing,

We would like to request a waiver for outdoor space requirements. Only up to X of our enrolled students will play outside at any one time. A facility with plentiful outdoor space is exceedingly difficult to find in San Mateo County and the play yard for this property only offers enough square footage to accommodate X children. At the same time, our county is experiencing a dramatic shortage of high-quality, licensed preschool spaces and we would like to expand to meet that need.

Thank you for your consideration.

Sincerely,
